DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication, filed on 12/24/03, is non-responsive to the prior Office action, mailed 9/22/03, because the claims that remain pending have all been marked "(original)" however, some of them have been changed compared to claims as filed without indication of amending by underlining or bracketing as needed. For example, claims 5, 8, 10, and 12; as filed 12/24/03; all differ from these claims as filed on 5/4/01, but without any amending indications. Claim 8 is especially significant as this corresponds to a specie election. It is unclear whether the changed claims were unintentionally changed or not. The amending of claims without appropriate bracketing or underlining also is improper. Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a time limit of one month from the date of this letter or as extended as follows. **AN EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 C.F.R. ' 1.136(a) OR (b) UP TO A MAXIMUM OF SIX MONTHS.**
